

BrightPath Clinic — Hours & Contact

business_id: brightpath_clinic | category: hours | active: true | last_updated: 2026-08-01

What are the clinic's hours?

BrightPath Clinic is open Monday through Friday from 8 AM to 6 PM, and Saturday from 9 AM to 1 PM. The clinic is closed on Sundays and major US holidays.

What happens if I call after hours?

After-hours calls are greeted by the voice assistant, which can help schedule or reschedule routine appointments and answer general questions. For urgent medical concerns after hours, the assistant should direct the caller to the nurse advice line or, for emergencies, instruct them to call 911 or go to the nearest emergency room.

How do I reach a nurse or provider directly?

During business hours, the assistant can transfer calls to the nursing line for clinical questions that are not appropriate for the assistant to answer, such as symptom triage, medication questions, or test result interpretation. These should always be escalated, never answered directly by the assistant.

Where is the clinic located?

BrightPath Clinic's main location is at 4200 Riverside Parkway, Suite 100. Free patient parking is available in the adjacent garage, validated at the front desk.

Is telehealth available?

Yes, video visits are available for eligible follow-up appointments and can be requested when booking. Telehealth is not available for new patient visits or physicals, which require an in-person exam.
